

Effective and fast

The Kärcher EB 30/1 cordless electric sweeper is a commercial-duty battery-operated electric broom designed for daily use in any professional facility where quick, efficient interim cleaning is necessary to clean up spills without disturbing employees or customers and is ideal for use when using a canister and upright vacuum isn't practical. Far more durable than typical consumer-style electric brooms, the ergonomically designed EB 30/1 features a run-time of up to 45 minutes and a large capacity dustpan for collecting dirt.

Equipped with a powerful, quick-change rechargeable battery, the EB 30/1 can be used anywhere since it requires no power outlet

The EB 30/1 has a large-capacity dustpan for coarse and fine dirt and is easily removed for emptying

This unit's universal joint can be easily locked or unlocked as required

The quick-charging unit completely charges batteries within 50 minutes

EB 30/1

- 12" (300 mm) sweeping path
- 67 in.³ (1 ltr) capacity
- 30/45 minute soft floor/hard floor run times
- Whisper quiet
- Cordless design reduces risk of trips and falls
