

Walk-Behind Scrubber Drier CT15 B35+BAT+Charger

Order Code: LPTB01229

The CT15 has been designed with a professional layout; the tanks are extremely large for heavy duty cleaning applications. The extremely compact dimensions allow excellent maneuverability for any working condition. The possibility to tilt the angle of the handlebar whilst working allows the machine to clean in difficult to reach areas. The CT15 range includes both the cable and battery versions.

1 - Great autonomy and maneuverability.

Ideale for small and medium environments.

2 - Reliable components.

Long life guaranteed.

Incomparable drying

Great drying performance thanks to the 3 phase vacuum motor, and the high squeegee side swivel movement ensures optimum drying during use.

Large removable tanks

Large solution capacity (16 l) and recovery tank (19 l) in minimum external space. The recovery tank is easy removable to check the internal components of the machine.

TCL and ECO system

The on board battery charger equipped with the TCL device (Topping Up Charge Limiter) as standard, allows to increase the battery life up to 75%. Save water and detergent consumption thanks to the ECO system (available starting from september).

**Small with great
professional performance**

IPC

Productivity / Scrubbing**CT15 B35+BAT**

Cleaning path	mm	350
N° brushes		1
Material		Nylon
Bristle section	mm	0,8
Brush speed	Rpm	140
Maximum pressure	kg	25
Transmission		Gear box
Brush motor	W	550
Vacuum	W	200
N° Stages		Three
Brush connection		Automatic no tools
Brush disconnection		Automatic no tools
Productivity	m ² /h	1300
Max speed	Km/h	3,5
Solution tank capacity	l	16
Recovery tank capacity	l	19
Material		High density polythene
Diameter discharge hose	mm	25

Electrical Features**CT15 B35+BAT**

Battery voltage	V	24
N° Batteries	V / Ah	2x12 / 29
Battery charger voltage	V / Ah	On board 24 / 5
Circuit protection		Fuse / electronic
Indicator battery level		3 led different color
Protection battery low		Auto power off
Battery box dimensions (LxWxH)	mm	205x265x205
Noise level	dB	68

Squeegee**CT15 B35+BAT**

Shape		Parabolic
Width	mm	450
Main body material		Polypropylene
Blade material		Latex
Pressure adjustment		3 independents wheels
Raising system		Manual
Blade replacement		No tools

Dimensions & Weight**CT15 B35+BAT**

Dimensions (LxWxH)	mm	740x394x535
Weight	Kg	59

Packaging Characteristics**CT15 B35+BAT**

Type		Carton
Dimensions (LxWxH)	mm	810x460x640
Volume	m ³	0,25
Weight	Kg	43,5

Optional Accessories**CT15 B35+BAT**

SPPV01269	Soft-natural bristle
SPPV01287	Medium-nylon - 0,8 mm bristle standard
SPPV01270	Medium-nylon - 0,5 mm bristle
SPPV01271	Abrasive tynex
SPPV01273	Pad holder
SPPV01158	Soft-yellow disc
SPPV01159	Medium-green disc
SPPV01160	Abrasive-black disc
MPVR05917	Latex front blade (536 mm)
MPVR05918	Latex rear blade (596 mm)
PMVR01770	Squeegee assembly (latex blade included)
KTRIO2068	Oil resistant PU squeegee blades kit
MPVR05950	Splash guard kit
